Instructions to complete “Star Spangled” bracelet:

Tip

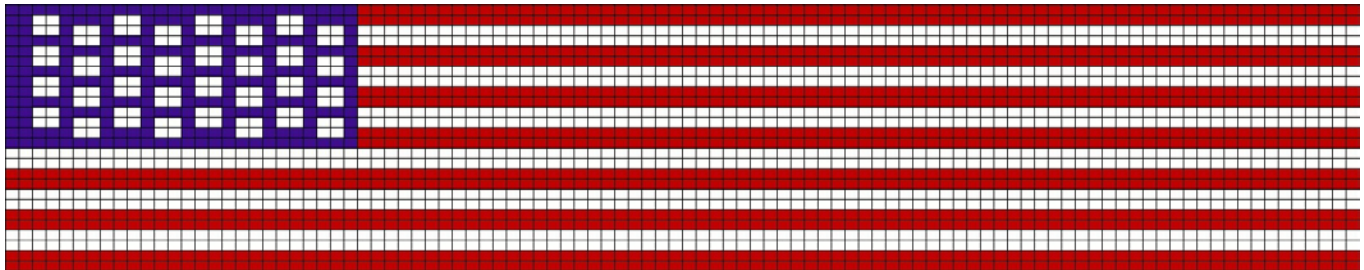

The length of the bracelet is woven on a loom. A few rows of square stitch are woven at each end of the bracelet to attach the clasp.

Step 1

Prepare the loom as instructed in the Basic Looming Technique.

Step 2

Follow the pattern below to weave a 6-inch-long piece of woven beadwork (see next page for enlarged graph).

Graph made with Beader’s Canvas software (BK2597)

Step 3

Finish the loomwork as shown in the technique.

Step 4

Secure a thread on one end of the beadwork. Exit the third bead in the end row. Work a 22-bead row using square stitch (see Flat Square Stitch Technique). (The square stitched rows will be two beads narrower than the loom-woven rows on each end of the rows.) Following the existing pattern on that end of the bracelet, continue working five rows of square stitch.

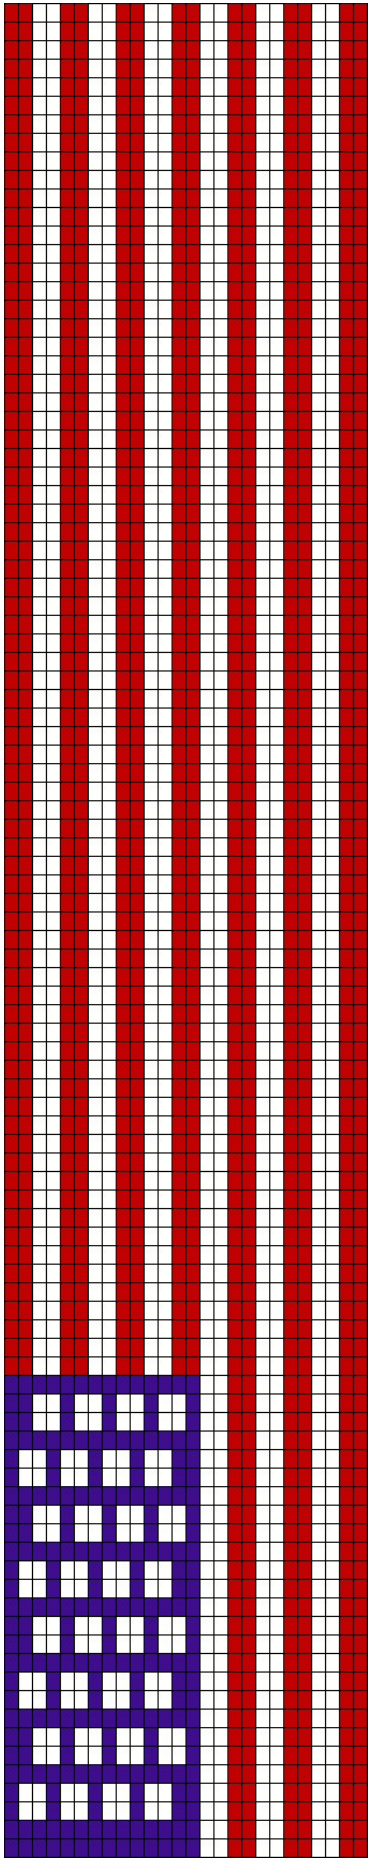

Step 5

Slide the square stitched rows through the bar of one side of the clasp, and wrap it around the bar (see Loom Bracelet Clasp – Option 2 Technique). Stitch the edge of the beadwork to the first row of square stitch. Weave the thread back and forth through several rows to secure, and trim the thread.

Step 6

Repeat Steps 5 – 6 on the other end of the bracelet.
