## Instructions to complete “Mountain Top” bracelet:

### **Step 1**

Using wire cutters, cut nine 9-inch lengths of beading wire.

### **Step 2**

Open one 6mm jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to attach the loop on one side of the toggle clasp to one 8mm closed jump ring. Close the jump ring. Repeat with the second side of the clasp.

### **Step 3**

Place one crimp bead and the closed jump ring attached to one side of the clasp onto one 9-inch length of beading wire. Pass the wire back through the crimp bead, and crimp the crimp bead (see Crimping Technique). Trim excess wire with wire cutters.

### **Step 4**

String 6.5 inches of size 6 seed beads from the mix onto the beading wire.

### **Step 5**

String one crimp bead and the closed jump ring attached to the second side of the clasp onto the beading wire. Pass the wire back through the crimp bead, crimp the crimp bead, and trim excess wire.

### **Step 6**

In the same manner as in Steps 3 – 5, string the beads specified below onto each of the remaining lengths of beading wire. Before crimping each wire strand to the closed jump ring on the second side of the clasp, weave the strand loosely through the previously strung strands.

Strand 2: 6.5 inches - size 6 seed beads

Strands 3 and 4: 6.5 inches - size 8 seed beads

Strand 5: 24 - 6mm opaque turquoise Picasso round beads

Strands 6 and 7: 6.5 inches - 1.5mm turquoise Picasso cube seed beads
