- 3 - 24 gauge Silver Plated Brass 2 inch Head Pins (BM2691)
- 7 feet - 24 Gauge Round Tarnish Resistant Silver Artistic Wire (AW2117)

Tools needed to complete the necklace or bracelet:

- Round nose pliers
- Chain nose pliers
- Wire cutters

Beading Techniques needed to complete the necklace or bracelet:

- Opening and Closing a Jump Ring
- Wire Wrapping
- Wire Wrapped Link

Instructions to complete “Motherly Love” necklace or bracelet:

Step 1

Using a 2-inch length of wire, make a wire wrapped link (see Wire Wrapped Link Technique) with one 4mm medium topaz fire polished round bead. Connect one side of this wire wrapped link to the loop on one side of the toggle clasp, and complete the other side of the wire wrapped link without connecting it to anything.

Step 2

Using a 2-inch length of wire, make a wire wrapped link with one 4mm amethyst fire polished round bead. Connect one side of this wire wrapped link to the unattached loop on the link from Step 1, and complete the other side of the wire wrapped link without connecting it to anything.

Step 3

Using a 2-inch length of wire, make a wire wrapped link with one 4mm aquamarine fire polished round bead. Connect one side of this wire wrapped link to the unattached loop on the link from Step 2, and complete the other side of the wire wrapped link without connecting it to anything.

Step 4

Repeat Steps 1 – 3 in the same sequence 13 times, connecting the last link to the loop on the second side of the toggle clasp.

Step 5

Place one amethyst teardrop bead onto a head pin. Wire wrap (see Wire Wrapping Technique) the unit to the toggle clasp ring.

Step 6

Repeat Step 5 with each of the following beads:

1 – light aquamarine teardrop bead

1 – topaz teardrop bead

Step 7

Open one jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to attach the charm to the toggle clasp ring between the light aquamarine and topaz beads. Close the jump ring.
