

Stormy Weather by FusionBeads.com

Approximate finished length: 8.5 inches

Beads and other products needed for three bracelets:

61 - 4mm Montana Swarovski Crystal Bicone Beads (04BI1129)
61 - 4mm Burgundy Swarovski Crystal Bicone Beads (04BI1169)
61 - 4mm Black Diamond Swarovski Crystal Bicone Beads (04BI1139)
3 - 8.5 Inch Sterling Silver Plated Brass Large Flat Bangle Bracelets by Nunn Design (BM3245)
18 feet - 26 Gauge Fine Silver Wire (FW0114)

Tools needed to complete the bracelets:

Chain nose pliers
Wire cutters
Hypo Tube Cement (TL1202)

Beading Techniques needed to complete the bracelets:

Covering a Bangle

Instructions to complete “Stormy Weather” bracelets:

Step 1

Anchor a 6-foot length of wire onto one bangle (see Covering a Bangle Technique). String one 4mm Montana crystal bicone bead onto the wire, and wrap it around the bangle twice.

Step 2

In the same manner as in the previous step, wrap all the remaining 4mm Montana crystal bicone beads, one at a time, onto the bangle.

Step 3

Anchor the end of the wire, trim excess wire, and squeeze the wire end tightly against the bangle. Apply a small drop of Hypo Tube Cement to the ends of the wire, and allow it to dry completely.

Step 4

Repeat Steps 1 – 3 for each of the remaining bracelets, using 4mm Burgundy crystal bicone beads for one bracelet and 4mm Black Diamond crystal bicone beads for the other.
