- 54 - Base Metal Head Pin - Silver - 24 gauge - 2 inch - (BM2691)
- 1 - Round Artistic Wire - Tarnish Resistant Silver - 22 gauge - (AW2084)

## **Tools needed to complete the bracelet:**

- Round nose pliers
- Chain nose pliers
- Wire cutters

## **Beading Techniques needed to complete the bracelet:**

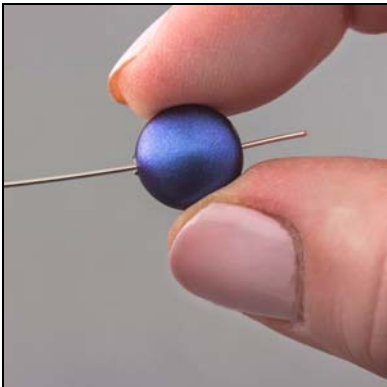

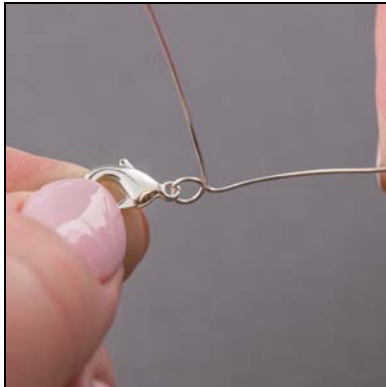

- Wire Wrapping
- Wire Wrapped Link

**Instructions to complete “Blue My Mind” bracelet:**

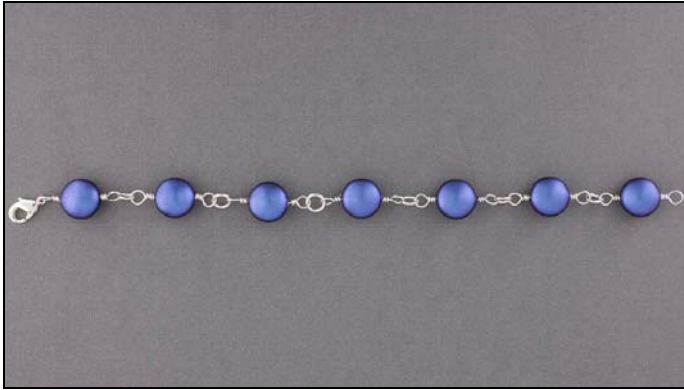

**Step 1**

Using a 2-inch length of wire, make a wire wrapped link (see Wire Wrapped Link Technique) with one 12mm Iridescent Dark Blue coin pearl bead. Connect one side of this wire wrapped link to the loop on the lobster claw, and connect the second side of the link to one closed jump ring.

## Step 2

In the same manner as in the previous step, continue making wire wrapped links and connecting them with closed jump rings with using the six remaining 12mm Iridescent Dark Blue coin pearl beads. On the last wire wrapped link don't attach a jump ring.

## Tip

*In the next steps, wire wrapped loops on head pins will be used to attach the 4mm crystal bicone beads and 4mm crystal pearls randomly to the jump rings between the coin pearls. Attach one bead of each color to each jump ring.*

## Step 3

Place one 4mm bead (bicone or crystal pearl) bead onto one head pin, making one unit. Wire wrap (see Wire Wrapping Technique) this unit to the first jump ring.

## Step 4

In the same manner as in the previous step, continue making wire wrapped loops and connecting them to the closed jump ring with the remaining bicones and crystal pearl bead colors, attaching a total of nine beads to the same jump ring.

**Step 5**

Repeat Steps 3 – 4 with each of the remaining jump rings.
