- Wire Wrapped Link

Instructions to complete “Victorian Pink” necklace:

Step 1

Thread a needle with approximately 3 feet of beading thread. Stitch a peyote bezel around one 30mm Crystal Antique Pink Swarovski Crystal Teardrop Fancy Stone (see Peyote Stitch Bezel Technique) using the following pattern:

Initial ring (rounds 1 – 2): string 58 Size 11 Metallic Bronze Delica Beads (DB0022)

Round 3 and 4: stitch 29 Size 11 Metallic Bronze Delica Beads (DB0022)

Rounds 5 and 6 (front of stone): stitch 29 size 15 beads per round

Rounds 7 and 8 (back of stone): stitch 29 size 15 beads per round

Round 9 (back of stone): Weave the thread to the half way point of the stone and stitch X amount of beads on the bottom half of the bezel to secure the stone in place.

Step 2

Weave the needle to the initial center row of the bezel, exiting a Delica bead at the top of the stone. String 8 size 15 beads and the 6mm Antique Copper Plated Brass 18 Gauge Closed Jump Ring, and pass through the next Delica bead in the row, forming a loop. Reinforce the loop once. Weave back and forth through several rows, and trim the thread.

Step 3

String the Base Metal 0.7mm Satellite Curb Chain with 2mm Ball - Antique Copper through the jump ring on the top of the teardrop.

Step 4

Using one 2-inch length of wire, make a wire wrapped link (see Wire Wrapped Link Technique) with one 3mm Crystal Antique Pink Swarovski Crystal Bicone Bead. Connect one side of this wire wrapped link to one end of the Base Metal 0.7mm Satellite Curb Chain with 2mm Ball, and connect the other side of this link to opposite side of the chain.
