- 5 - 6mm Natural Brass 18 Gauge Rib Cable Open Jump Ring by Vintaj (NB0726)
- 1 - Round German Style Wire - Antique Brass - 20 gauge (AW6016)

Tools needed to complete the bracelet:

Round nose pliers
Chain nose pliers
Wire cutters

Beading Techniques needed to complete the bracelet:

Simple Loop
Opening and Closing a Jump Ring

Instructions to complete “Spring Awakening” bracelet:

Step 1

Using wire cutters, cut 12 3-inch lengths of wire.

Step 2

Using round nose pliers, turn a simple loop (see Simple Loop Technique) on one end of one length of wire. Place one 6mm Amethyst crystal round bead onto the wire, and turn a simple loop at the open end of the wire. Attach the loop just made to the loop on the lobster clasp.

Step 3

Turn a simple loop on one end of one length of wire. Place one 6mm Light Azore crystal bicone bead onto the wire, and turn a simple loop at the open end of the wire. Attach the loop just made to the unattached loop on the unit from the previous step.

Step 4

In the same manner as in the previous steps, make and connect these simple loop links in the following sequence:

- 1 – 8mm Mauve pearl bead
- 1 – 10mm Crystal AB baroque bead
- 1 – 6mm Blush Rose round bead
- 1 – 8mm Smoky Mauve round bead
- 1 – 5mm Powder Rose pearl bead
- 1 – 6mm Crystal AB 2X bicone bead
- 1 – 8mm Crystal Paradise Shine rondelle bead
- 1 – 14mm Amethyst emerald cut bead
- 1 – 6mm Pearlescent White pearl bead
- 1 – 6mm Violet rondelle bead

Step 5

Open a 6mm jump ring and attach it the last loop made from Step 4. Close the jump ring.

Step 6

Open a second 6mm jump ring and attach it the jump ring from Step 5.

Step 7

Continue adding the three remain 6mm jump rings to each previous jump ring.

Step 8

Open a 4.75mm jump ring and use it to attach the loop on the dragonfly charm to the jump ring from Step 5. Close the jump ring.

Step 9

Place these beads in the following sequence onto one head pin:

- 1 – 8mm Antique Pink round bead
- 1 – 7.5mm natural brass pinwheel bead cap (cupped side toward the previous bead)

Step 10

Using round nose pliers, turn a simple loop at the open end of the head pin. Attach the loop just made to the jump ring from Step 6.
