After you finish stringing all the beads, do not cut the thread. You will continue to use thread from the spool as you crochet.

**Step 3**

Leaving a 12-inch tail, make a slip knot in the thread, and place the loop onto a 1.75mm crochet hook. Tighten the loop.

**Step 4**

Crochet a six-bead chain (Steps 5 – 14 of the Technique). Connect the chain into a ring (Steps 15 – 17 of the Technique).

**Step 45**

Following the Technique, crochet a rope until it reaches the desired length.

**Step 6**

Thread a small tapestry needle onto the beginning yarn tail. Join the beginning and end of the rope (see Crocheted Rope – Invisible Join Technique).
